INSITESHIP DEMONSTRATES SHIPPING MADE EASY AT INFOR USER CONFERENCE

Bronze Sponsor is also Conference Speaker for SyteLine and Visual Users

Minneapolis – August 22, 2007 – InSite Software Solutions, Inc., a strategic publisher of shipping software solutions, today announced it will be a Bronze Sponsor while exhibiting and demonstrating its solutions at Inforum 2007, Infor's annual user conference being held September 9-12, at Las Vegas' Sands Expo and Convention Center. The company will showcase the latest version of its solution, InSiteShip, in Inforum's Solutions Expo, at Booths 501 and 503.

"We are thrilled with the opportunity to meet with over 6000 of Infor's customers in a single setting," said Kevin Cooper, Manager of Business Development for InSite Software. "Inforum allows us to thank the many InSiteShip customers, Infor Affiliates and Infor employees for their continued support in helping us significantly grow our installed base of shipping software solutions for the Infor ERP SyteLine and Infor ERP Visual software solutions."

InSiteShip is a shipping software solution designed to optimize and enhance the shipping processes of the ERP SyteLine and Infor ERP Visual software solutions for mid-sized manufacturers and is a part of the Infor Complementary Partner Program. Inforum attendees will have an opportunity to learn more about InSiteShip at the session titled "Shipping Made Easy for SyteLine and Visual" on Monday September 10th at 1:00 PM.

"InSite Software Solutions is a valued Infor partner that helps us offer industry-leading shipping solutions that ensure our customers' continued success and growth," said Scott Williams, senior director of global alliance and partner management, Infor. "Inforum 2007

provides a world-class platform for our partners and customers to share ideas and learn more about the global Infor community.”

Inforum 2007 is expected to attract customers, partners from around the world who come to learn about new business opportunities, collaborate on Infor's business-specific solutions, and get the latest news on the product roadmaps for their solutions. Attendees will have the opportunity to participate in hundreds of educational sessions on topics such as best practices, tips and techniques, product seminars, business strategy, and industry trends.
